## Moving Office?

If your organisation is moving to a new home you should consider contacting Community Logistics at OFFERS/Ex-IT who are able to provide a range of low cost removal services to help with your relocation.

Community Logistics can provide Transit and Luton Vans as well as fully trained and insured drivers and driver's mates to make your move easier.

OFFERS/Ex-IT can also provide additional low-cost re-used furniture and fittings as well as IT and office equipment. In addition, networking and IT support and PAT Testing are also available.

Community Logistics can also help move equipment and display materials for events.

To find out how Community Logistics and OFFERS/Ex-IT can help your organisation and to get a quote, contact –
